- have a good experience with being “out” at RWE
- received a lot of support from our colleagues and management

## We are planning

- various activities to gain more attention for our topic
- info booths, opportunities for exchange in small groups, regional LGBT\*IQ groups and much more

- Write an e-mail to us or give us a call, we're happy about everyone who wants to join
- You don't need to be a part of the LGBT\*IQ community; colleagues who just want to support us are equally welcome
